

# Who would bribe?

i) Strategic LPs

LPs who want more STN emission.

ii) Deployer

more emission  $\rightarrow$  more LP  $\rightarrow$  more trader  
 $\rightarrow$  more fee

iii) Attention Seeker

More Volume & LP  $\rightarrow$  Going Viral.

e.g. will group X's debut album sell 10k+ copies?

will band Y release new Album this year? <sup>physical</sup>

Will protocol X attain 100M TVL within a month?

Whatever that needs attention  
 $\wedge$   
to bootstrap

iv) external Protocols

Yield protocols,

e.g. Liquid reLocker

Auto-rolling LP vaults
